

Everything is true, until proven otherwise.

THE question is: who's to judge?
Today, everyone has an equal voice
and you are bombarded with an
infinite stream of information and
news.

*Hate, love, peace, war, vaccines,
immigrants, animal rights, instagram
stars, bullies, elections, minorities.
The everyday.*

The unfortunate responsibility
of separating truth from false and
right from wrong is yours. We know
this is a tall order and that ignorance
is bliss.

But what would the world
look like if we would never explore
beyond what we see?

THE WORLD IS BEYOND THE HEADLINES.
